

In Mark 10:13-16 Jesus teaches about entrance into His kingdom and we learn 3 wise principles concerning the spiritual training of children.

- I. Wise parents (and churches) bring their children to Jesus (v. 13a).
- II. Wise churches (and parents) don't undervalue children, especially since they model for us the dependence required to enter the kingdom (vs. 13b-15).
- III. Wise churches (and parents) pray for and bless children (v. 16).
